

Professional Ethics

The Faculty should

- * Report the duty in time on the reopening day and last working day of each semester.
- * Remain in the campus during working hours.
- * Always wear ID card inside the campus.
- * Follow the instruction issued by the authorities.
- * Avoid using cell phone inside the campus.
- * Locate the capability of students and of the individual needs.
- * Be present in all the meetings without fail.
- * Involve themselves in research for their professional growth.
- * Complete the syllabus in time and be account for the result.
- * Cooperate with authorities for the betterment of the institution.
- * Update them according to the need of the hour.
- * Maintain a safe and challenging learning environment.
- * Protect learners from intimidation, embarrassment, humiliation or harm.
- * Respect a learner's privacy in sensitive matters, such as health or family problems, and only reveal confidential matters when appropriate.
