First time in the history of our college, **12 students** in two teams have submitted their innovative ideas for the problems listed by Ministry of Central Government, virtually in "Smart India Hackathon 2020" - A nationwide initiative to solve pressing problems in our daily life, from 01-08-2020 to 04-08-2020. They presented and have interaction with our Prime Minister.

Idea:

Problem Statement 1:
Development of APP to capture the field patrolling track of frontline staff in their forest beat jurisdiction.
Developed For : Dr.B.R.Ambedkar Institute of Technology

Problem Statement 2:
Embankment mapping and crowd sourced. Health card for preventive structural measures.
Developed For : Central Water Commission , Ministry of Jal Shakti.
