1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained
A well planned and structured feedback is received from students, Teachers, Alumni and Parents. Students feedback is received from final year UG/PG students based on Teaching, Library, Administration and Evaluation. Feedback is assessed according to grade and the grade ranks from 1 – 5. The grades are calculated graphically and the recommendations are submitted in the Staff Council Meeting and actions are taken. Parents Meet is held every year to discuss the academic and non-academic performance of the students and feedback is collected based on overall activities of the college. Alumnae Meet is conducted to furnish and to get information of the present scenario of students. The dictum followed to review feedback is for the further improvement of the institution and department. Teacher's performance is valued through self-appraisal forms and the recommendations are submitted to the principal and the management. Faculty were encouraged to improve their personal potential by presenting papers and pursuing research. Data gathered in the process is documented and submitted to the Head of the institution and Management and action is taken. Some of the actions implemented during 2019-2020 are: • Inauguration of Auditorium. • Separate Government buses to Aruppukottai, Rajapalayam, Ramanadhapuram, Periyar, Arappalayam and Mattuthavani, ply arranged for Boarders [hostel students] • Type Writing and Shorthand Courses [Directorate of technical education] are arranged for the students. • Students participated in the Hackathon as part of IIC activity. • Staff and Student actively participated in the Institutions Innovation Council activities to promote innovation, and start-ups.

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

Teachers are natural mentors of their students. To formalize the same, our institution has a proper student mentoring system. In the beginning of the academic year, each department is required to assign a teacher mentor to each student .It is also required that the same mentor continues to be a mentor to the student for all the three years of her graduation. We have introduced the mentoring programme for all the students of the college as they are in their transitional period of life. Mentoring programme works well by Mentors meeting the Students. It aims at strengthening the dynamics of caring, sharing and learning -knowledge, skills, attitudes, academic heights, personal growth and professionalism between the mentors and the students. The mentors are responsible for academic progress and psychological wellbeing of their mentees. They are also entrusted with the task of monitoring the attendance and academic progress of the students. They also provide primary psychological counseling to those who need them and refer them for more professional counseling, if required. At the beginning of the academic session, the mentors conduct orientation programmes for the mentees, whereby they are acquainted with the institution, its goals and mission, the facilities available and the regulations of the affiliating university. The mentors maintain the biographic details of each individual mentee including their educational background and socioeconomic status. Mentorship files are maintained for every student. The file contains records of the student's personal profile, academic performance, achievements across three years in

the college. Mentors meet students twice a semester on a one-to-one basis to asses them on various levels namely, professional, social, as well as emotional well being. The timely and extensive implementation of mentoring generates healthy interaction between students, parents and teachers and results in less student grievances. The Mentoring activity at our institution is helping the students for overall comprehensive development. Students mentoring system is practicing in our institution under the head of Tutor – Ward system on a stream lined basis. The outcomes of mentoring system are: Creation of a better environment in college, where students can approach teachers for both educational and personal guidance. Regular meetings are held between mentor and mentee. Assessment card comprised of personal and academic assessment is maintained. Encouragement and Orientation provided in developing enthusiasm to participate in multi-skilled activities such as curricular, co-curricular and extra-curricular. Advice and support are provided to their improvement both in academic and non-academic process. During Covid-19 lockdown orientation program is provided on "how to use online class app" and way of uploading their work in Google classrooms app. Guidance provided by the mentor to overcome the technical problems faced by the mentee while attending the online class in Google meet and zoom meet app.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

Our institution has continuous internal evaluation scheme as per university rules. Madurai Kamaraj University has a continuous internal assessment system in which each paper of 100 marks has a component of 25 marks of internal assessment and rest 75 marks are allotted for the end semester examination of that paper. These 25 marks of internal assessment are designed and bifurcated in such a way that a continuous evaluation takes place throughout the semester and marks are given for each academic activity performed. . Under CBCS pattern all the under graduate and Post graduate courses conduct examinations as per the Madurai Kamaraj University norms. The institute has taken efforts to improve the performance of students by framing significant reforms in Continuous Internal evaluation at the institute level .The reforms are as follows: • Centralized Internal Examination system is followed for smooth working and transparency. • Time table of internal examination is in tune with

academic calendar of the college and the university. • Remedial measures are taken by conducting remedial classes. • Students are encouraged to solve previous years University Exam question papers. • The results of the internal examinations are declared within a week, enabling the students to raise any grievance and get it resolved before the marks are finally submitted to the examination cell. • Due to Covid-19 lockdown, Whatapp group have been created for the students to conduct quiz test and home test through Google classroom, zoom meet app. • Assignments have been collected through Google classroom app.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The Academic Calendar is prepared by college at the beginning of each year after the Principal conducts meetings with IQAC, HODs ,Coordinators and Examination cell. The calendar is prepared keeping in mind the opening and closing dates for the semester announced by the university. The academic calendar prepared for 2019-2020 displayed the dates for our curriculum activities like Orientation programme Department Inter collegiate meet College Day Sports Day Government holidays Continuous internal evaluation schedule Model examination date and Last working date of each semester. The main purpose of fixing these dates in advance is to enable the departments to plan for their own department programmes and events. It also helps the students to plan their academic and extracurricular activities. Before the commencement of every semester respective departments prepare a detailed action plan, field and industrial visits, job training programmes, internship programme, extension activities and association meetings, seminars and workshop. Teaching plan is prepared by each teacher which adheres to the academic calendar of institutes. Finally this is distributed to the students and also made available on college Website. Institution strictly adheres to academic calendar for the conduct of CIE and all other activities during the semester. Due to Covid-19 lockdown, IQAC made a decision in consultation with the CDC and COE for conducting the III-Internal examination through online. The effectiveness of the process is maintained through effective monitoring by the Principal.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

The student community is an important stakeholder in higher education, due representation is given to them in all academic and administrative bodies. The college has a democratically elected student council. The Student Council (Union) under the name Boutique is framed under the guidance of the Principal and Head of the Departments. The Students Union comprises of Chairman, Vice-Chairman, Secretary, Joint-Secretary, Tressurer, Club Representative, Hostel Representative, Entertainment Representative, Bus Representative, Discipline Representative, Environment Campus Representative. All the cultural activities, student oriented events are organized by this student union under the guidance of the Principal and Management. For example a multi cultural fest conducted by the Colors Tamil Channel kallapatti program highlights their leadership quality and their rapport with the administration body. The student council raises a platform to student's community in associating administration, Personality Skills and Leadership Quality. The college promotes various activities through department associations. On the whole, the institution has 12 Department associations and all the association conducts varied programs like intercollegiate meet, National/International level Seminar/Conference. The department association office bearers of the concern department class representatives render their support in organizing the program. To enrich the academic part our student representatives have participated in REVA University on "Indian Technology -Innovation Entrepreneurship Conclave (I-TEC) and also in MHRD. Our students have proven their knowledge ability by wining cash awards and shields in "State Level Thirukural Peravai" Exams. There exists 16 clubs in our institution. Every club has representatives as President, Vice-President, Secretary and Joint Secretary for the meticulous activities of program in the

clubs. An active participation of students in socially responsible wings as NSS, NCC, YRC, and RRC has great impact. Sportive cooperation are due records in the vibrant participation of the students in Fine Arts, Sports and Youth Welfare programs. Cadets and representatives of NCC and NSS mark a colorful festivity and team spirit of the students. Due representation is given by students both in sports and cultural activities. Students have actively participated in inter and intra level sports and cultural activities. The class representatives play a vital role by stepping into the shoes of the teachers in monitoring co-students, and in extending their cooperation in preparing models to display in Edu- Expo. The student union office bearers and class representatives together help in organising all institutional based celebrations in a harmonious way. Etiquettes play a vital role in enhancing quality and promotion of motif of the college. A tenacious student hostel committee maintains decorum, right environment inside the hostel campus. Our college students union Boutique provides an opportunity for students to engage in a structured partnership with the faculty and with that of the management in all the operations of the college. The establishment of a student council gives students an ample opportunity to make themselves apart of the statutory body to organise and to channelize the student's community in the right path of success.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Teacher's day celebration: • The management elucidate decentralized and participative role in the celebration of "Teacher's day" which falls on September 5th every year • Our college management and union students are very interested to celebrate the day by making it a memorable one. • Programmes arranged on that day were remarkable. The programmes were for the women folks in and around Madurai and virudhunagar. • The chief guest Mr. Seeni delivered a speech on the innovative role of female teachers in society being the Indian revenue service advocate, (retired joint commission of Income Tax) madurai, made his presence amidst us to mark the day a laudable one. • Unique stage performance by the students of N.M.S. Sermathai Vasan College added flavor and colours on the day. • Games were arranged and prize distribution followed to honour the winners. Women's Day Celebration. • Our management a body of motivating and persuading dynamics, encumbered the women's day celebration in an enigmatic one. Every stone was turned to add a thickest add on fragrance to this great day. The women's day of the year achieved success by the presence of another great vetran. The presence of other chief guests too added colourful

Silver tumblers instead of plastic cups are used by teaching and non teaching staff members to drink tea inside the campus. 4. Energy consumption can be measured by looking at how much energy a production process consumes for a day 5. Paper bags are used to maintain eco friendly campus. 6. Inculcate healthy food habits by creating awareness on disastrous impact of Junk foods.

7.2 – Best Practices

7.2 BEST PRACTICES 1. TITLE OF THE PRACTICE: Energy Conservation The Department of Physics of N.M.S.Sermathai Vasan College for Women Celebrated "National Energy Conservation Day" On 16.12.2019 at 12.00pm in the college premises. It is the decision and practices consume less energy. The energy conservation is the need of the hour in today's scenario. Carbon emission and Global warming is a threat which has changed the climate condition and ended in economical imbalance. OBJECTIVES: ? To reduce demand ? To protect and replenish supplied. ? Develop and use alternative energy sources. ? Install CFL lights. ? Lower the room temperature and fix air leaks. ? Use minimum Day lights. ? Get audit done. ? Use energy efficient appliance. ? Drive less walk more. ? Switch off appliances when not in use. ? Plant shady landscaping. ? Install energy efficient windows. CONTEXT: When power is consumed less, the amount of toxic fumes released by power plants is reduced. The Department of Physics organized an awareness programme on Conservation energy among young minds to conserve the earth's natural resources and to protect eco-system from destruction. THE PRATICE: National Energy Conservation Day is celebrated by taking Oath for conserving energy on 16.12.2019 at 12.00pm and Electric power was shut down for an hour to consume the electricity. Energy Conservation is the effort made to reduce the consumption of energy by less of an energy service. This can be achieved either by using energy more efficiently or by reducing the amount of service used. Energy Conservation is a part of the concept of eco efficiency. IMPORTANCE: Without energy conservation the world will deplete its natural resources. EVIDENCE OF SUCCESS: FOR THE STUDENTS: When the Students are literate in efficient energy conservation, they are the next generation of efficient energy conservingleaders, not only in the college but also in their homes and the society. Young minds are taught toavoid unnecessary usage of energy. Like switch off lights, fans and electric gadgets and they were made aware of energy usage in the form of renewable energy sources. FOR THE STAFF: Conserving energy is the health and wellbeing of every life form on the entire planet. Saving electricity means saving money. PRACTICES - II 1. TITLE OF THE PRACTICE: "APPLYING, UPDATING VOTERS ID" N.M.S.Sermathai Vasan College for Women, NSS units 88,89,90,91 applied new voter ID to all first year students and people who lived in the nearby rurals. Correction or any updation in the Voter ID is also done. Every year around 150 students and few villagers received and updated voter ID. OBJECTIVES: ? To get a new Voter ID. ? To know the value of Voter ID. ? Making students to realize the importance of citizenship. ? To make students realize the polling importance in municipal, state and General Elections. ? Help the local community to get new Electoral Photo ID Card or EPIC in an easy manner. CONTEXT: Voter ID card is a document which ascertains people's identity as an adult citizen of the country and is primarily used in casting one's vote in municipal, state, and general elections. A voter ID card acts as personal identification and resident proof for an individual. So the need of getting new Electoral Photo ID card for the eligible first year students and the villagers are inevitable. THE PRATICE: Every year N.S.S Wing voluntarily takes the steps to process of getting a new Electoral Photo ID Card for theeligible first year students and the needed villagers. Form G-1 is given. Corrections and updations if any in the Electoral Photo ID Card are also done. Our college participated in the "Voters day Awareness Rally" conducted by Collectorate Madurai. As a part of Voters day celebration Function the officials from the Collectorate Maduari issued the Voter ID to our students and the villagers. EVIDENCE OF SUCCESS: FOR THE STUDENTS: It helps the students to know more about the society and the value of Electoral Photo ID Card .It acts as a valid proof of identity. It is accepted by banks, insurance companies, colleges, offices and various other places as the identification proof. Also, the Voter ID number mentioned on the card is used for processing requests at different places. FOR THE STAFF: Members in the

staff family also registered and got new Electoral Photo ID Card. Any correcting in the card is also rectified. MANAGEMENT: There is incredible value in being of service to others. Without service, we would not have a strong quality of life. SOCIETY: The primary purpose of proving this card is to improve the accuracy of the electoral roll and to help prevent cases of electoral fraud and make the students to be Indian citizen.
