ORIENTATION PROGRAMME FOR FRESHERS-REPORT

Venue: Commerce Lab

Time:11.00 a.m.

An Orientation Program for Freshers was held by the Internal Quality Assurance Cell on 15.07,2021. The welcome address was given by the IQAC Coordinator, Mrs. M.Pushpa Rani. Mrs. D. Karthigarani, Principal, N.M.S.Sermathai Vasan College For Women, was the Chief Guest for the occasion.

The Principal emphasized the importance of academics and advised faculty members to adhere to them closely in order to perform well. She also advised them to follow academic standards and regulations in working with their HODs and the Controller of Examinations. Changing Mindsets was the main focus of the seminar. To begin, teachers' perspectives must shift in order for them to be relevant in the twenty-first century. She insisted that teachers instill perceptiveness and discernment in their students. They must comprehend the value and teach it to their students. They should recognize and teach their kids the importance of character over status. As a result, rather than simply giving facts, the focus should be on teaching values. The value of passion and belief in teaching was also underlined during the discussion. Only a committed instructor will be able to bring out the child's gifts and potential. She underlined that a strong belief, a lot of practice, or a different technique can entirely transform people's attitudes. The gathering was attended by over eighteen employees.

The meeting drew nearly 18 employees. They were motivated by the workshop and are ready to start the new academic year with a fresh perspective. Mrs.M.Tamilarasi, Placement Cell Coordinator & Staff, gave the vote of thanks.
