ROLE OF TEACHER IN DEVELOPING INNOVATIONS

The N.M.S.Sermathai VasanCollege For Women's IQAC hosted a discussion on the topic of "Role of Teacher in Developing Innovations" on July 20, 2021.

Mrs. M.Pushpa Rani, the IQAC coordinator, welcomed everyone to the programme.

The meeting's Chief Guest was Mrs. D.Karthigarani, Principal.

Teachers are at the heart of the drive to recuperate learning losses suffered by the COVID-19 pandemic-induced education crisis, since millions of people have struggled to adapt to the changing nature of teaching and learning due to a lack of adequate teacher professional development (TPD).

The principal advised that technology be used in the classroom to encourage access, participation, engagement, and further application of new skills.
