

INNOVATIVE INCUBATION UNIT

Incubation Unit paves the way for incubating the students with technical skills. With the training and knowledge gained through this Incubation Unit will boost up the young Innovator to the next level of presenting their solutions, by joining hands with the Government National wide Initiative Platform.

To proceed our Innovative journey, as a remarkable one in the golden pages of our college history, We established “**Innovative Incubation Unit**” in our college premises and the same had been grandly **inaugurated by Dr.K.Sivan, Former Chairman, ISRO & Vikram Sarabai Distinguished Professor, ISRO**. For the effective Utilization of this unit, we have signed a **Memorandum Of Understanding with Maxelerator Foundation- A Technology Ideation Nursery, Partner Incubator, Madurai** for the guidance and support from the experts in technical field. With this our young innovators stepped up into SIH2022 Idea submission.
