COMPLETION OF TRAINING

18/09/2022

Pavithra Nagarajan

Congratulations on completing
"Hello Automation 360 Bot: Getting Started with Building Bots"
course at Automation Anywhere University.

With this training you have acquired skills and knowledge that will allow
you to continue your journey to Robotics Process Automation success.

At Automation Anywhere, we believe that people who have more time
to create, think, and discover build great companies. We wish you
continued success in all your endeavors.

Go Be Great!
