- Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website?   `Yes`

- If No, please upload the minutes of the meeting(s) and Action Taken Report   No File Uploaded

10.Whether IQAC received funding from any of the funding agency to support its activities during the year?   `No`

- If yes, mention the amount

11.Significant contributions made by IQAC during the current year (maximum five bullets)

Internal Quality Assurance Cell has taken intense steps to organize programmes on quality related themes to enhance institutional quality. It includes Orientation Programme for the First year Students, Orientation Programme for New Faculty members, Faculty Development Programme and International Conference.

Through IQAC, a programme has been arranged by ICT academy on the topic of "Communicative Impact with Voice Process" organized by the AtoS Praya's Foundation as a CSR initiative, amounted to .Rs. 50,000 . Nearly 50 students received both technical and soft skill training in the campus from 5.01.2023 to 30.01.2023

IQAC provides a number of programs with support from EDC, including the design thinking program, Vanniga Sutchamam, the EDII-TN sponsored workshop on entrepreneurship development, to celebrate Mahatma Gandhi National Entrepreneurship Month students set up a one day stall. They also held a workshop on making soap at home to help them develop their skills and get ready to start their own businesses in the future.

To continue the innovative journey, our college established an Innovative Incubation unit, which was officially inaugurated by Dr. K. Sivan, the former chairman of ISRO, and Director of Vikram Sarabai, Space Centre & the distinguished professor of ISRO.

Holistic Education is promoted through various club ventures. Students get wider knowledge apart from curriculum and naturally

enhance their calibre to tackle situations.

12.Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year

Plan of Action	Achievements/Outcomes
To assign annual duties to the Staff for the Academic year 2022-2023.	Assigned the duties to the staff of various clubs, cells, and forums.

15.Multidisciplinary / interdisciplinary

N.M.S.Sermathai Vasan College for women shall focus on a holistic and overall personality development of students in tune with the major objectives of the National Education Policy (NEP) 2020 to make education more experiential, holistic, integrated, learner-centered, and flexible along with providing multiple entry and exit opportunities and evolve interdisciplinary thinking through enormous efforts. Since our institution, being an affiliated college comes under Madurai Kamaraj University, offers 12 UG and 6 PG courses spanning across science and arts stream aims at imparting an education that shall develop the intellectual, aesthetic, social, emotional and moral values in students. Our college B.Sc (Physics) department has introduced the certificate course "Introduction to Practical STEM Education" with the vision to introduce the basic concepts of Science and technology for the humanity students to come up with new ideas and innovation and to expand the learning opportunities in an interdisciplinary and applied approach. To offer flexible and innovative curriculum for the attainment of holistic and multidisciplinary education our college has an active Women Study centre and Yoga club which have the practise of celebrating International Women's Day and International Yoga Day along with providing short term

certificate course for all stream of students. To impart the students in the areas of community engagement and service, our college faculty and students engaged themselves in the Government scheme of IllamThediKalvi and for environmental and value education all the first year UG students have a compulsory paper in their curriculum to clear under the credit-based course offered by Madurai Kamaraj University. Apart from this our college offers Certificate in Gandhian Thought and Diploma in Gandhian Thought for the first and second year students to inculcate the values and thoughts of Gandhi in their minds. To maintain the rigor of learning, Fly over transition course, Vedic Maths and Musical Physics are some of the courses offered by our college for the first year UG students and for offering multidisciplinary flexible curriculum Non- Major Elective papers were opted for the students which enables the multiple entry and exist in all majors. Our college students have an opportunity to select diploma courses offered by Madurai Kamaraj University like DDTP,DYMHH and DCFE as an Interdisciplinary course during their under graduation. Our institution organised International Multi-Disciplinary Hybrid conference in the topic of "Challenges in Environmental issues and Trends in Sustainable Development Disciplinary Perspective" with the view to expand the knowledge of the students in which faculties and students contributed their creative and innovative views. Department of Physics students have developed "Herbal Sanitizer" to overcome the problem of using chemical sanitizer since it's usage becomes a major requirement from the pandemic situation of covid-19 and Energy audit is done by them for the purpose of energy conservation as an effort to engage them in multidisciplinary research endeavour to find solutions to society's most pressing issues. As a good practice, our college has introduced LMS courses for all stream students and we are having Institution's Innovation Council which promotes the activities of developing innovative & creative thinking.

16.Academic bank of credits (ABC):

Since, we are one of an affiliated institution of Madurai Kamaraj University, the process Digi Locker Account creation by the university is still in progress. After getting Digi Locker Authentication Service, we will proceed the same.

17.Skill development:

Entrepreneur Skill Development activities like Silk Thread Ornament making, Beautician Course, etc., are provided to our students through Entrepreneurship Development Cell in our

Institution. Faculties Entrepreneur skill is also being upgraded by attending the faculty development Program like "ENTRPRENEURSHIP AND INNOVATION" organized by Entrepreneurship Development and Innovation Institute (EDII) Hub, Madurai Kamaraj University and Government of Tamilnadu, Chennai. Our College Life Skill Forum offer courses like Photography, Typewriting, Karate, Silambam (Martial Arts) for UG students with an aim to provide hands on training, competencies, value based skills, etc., In order to strengthen the vocational education and soft skill of students, our Institution provides Value Added Certificate courses like Tally through Placement Cell and DDTP from the Department of Computer Science which integrates cross cutting issues relevant to Professional ethics. Department of Physics has been conducting certificate course on "House Wiring" to enhance the technical skill of wiring the house hold appliances by themselves for their needs. Our college celebrates national festivals like Independence Day, Republic day to ensure the patriotic feel among the students. Through the national commemorative day celebrations like International Youth Awakening Day, Dr.A.P.J.Abdul Kalam Birthday, World Biofuel Day, World Ozone Day, etc., to inculcate the universal human values and to build the value education among the students.CGT, DGT, DYMHH courses are offered to UG to impart Gandhiji's ideas of Ahimsa, non-violence and holistic development. Our Institution is an active member in ICT Academy of Tamilnadu through which we have an opportunity to enhance the employability skills of our students by availing the Industrial Veterans for our Seminars and Conferences. Good Practice: Our Institution has a good practice of motivating the students to undergo entrepreneur skilling courses to know the Trending Technologies and cater to the socio-economic needs through Entrepreneurship Development Cell and provide opportunities for them to "EARN WHILE THEY LEARN". The efforts made by the Institution help the students to gain the required competencies and confidence to face the real time situations in the corporate world. It also helps in bringing the cultural change in terms of Professionalism in their approach and thinking.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Integrating the National Education Policy, N.M.S. SERMATHAI VASAN COLLEGE is extending and expanding the purviews of education to meet the new parameters. The initiatives of the institution are effectual in terms of moulding interspersed generations who grow up as individuals of unified sensibility. Bilingual education

offers numerous benefits to students. It enhances cognitive abilities, improves problem-solving skills, strengthens cultural awareness, and fosters the development of valuable communication skills.The institution aims to equip its faculty members with the necessary language skills, pedagogical knowledge, and resources to effectively deliver bilingual instruction in the classroom. The institution provides teachers with resources, such as bilingual textbooks, audio-visual materials, and online resources, to facilitate bilingual classroom delivery. These resources will aid faculty members in creating a dynamic and engaging learning environment that integrates both languages effectively. The programs in Tamil (Literature and Culture), History (Traditional Knowledge) Mathematics (Vedic Mathematics), Physics (Astronomy), integrate traditional Indian Knowledge Systems wherever possible. The Department of Tamil offers a Certificate Course on "Kannini Payanpaatu Tamil" and "Thol Tamil Ealuthuru" which was organized for undergraduate BA (Tamil) students with the aim of enhancing their knowledge and practical skills in two important areas of Tamil language and literature. The Thol Tamil Ealuthuru module focused on the art of writing in the Thol Tamil calligraphic style, which holds significant cultural and historical value in Tamil Nadu. Expert calligraphers introduced various Thol Tamil scripts, letterforms, and stroke techniques. Students had hands-on practice with traditional writing tools and materials under the guidance of skilled instructors. They learned to write words, phrases, and verses in Thol Tamil, gradually mastering the fluidity and beauty of this art form. By organizing such certificate courses, our institution contributes to the preservation and promotion of the Tamil language, culture, and heritage among the younger generation. The promotion of Indian arts, traditions, and languages is also facilitated through competitions organized Youth Welfare Department. Competitions such as essay writing, poetry, speech competitions, folk songs, folk dance and skits encourage students to stay connected with their rich Indian culture and heritage.Silambam is a traditional Indian martial art.It promotes physical fitness, self-defenceskills, and cultural appreciation.Silambam practice in our institution to under the guidance of a skilled instructor not only preserves the rich cultural heritage of India but also empowers our students to defend themselves and break societal barriers The college emphasizes preserving the Indian language, culture, and tradition by celebrating Indian festivals, namely Saraswathi & AyudhaPooja, Pongal. The highlight of the event is the Kummi and Uri performances, where groups of student's form circles and dance in unison to traditional folk music. We celebrate functions during

traditional days to inculcate culture in the mind of our students. The practice of wearing saree during the 2nd and 4th Friday of every month is inculcated in our college. This practice promotes the appreciation and preservation of Indian attire. By adhering to this practice, students are encouraged to embrace the cultural heritage and showcase the beauty of sarees. Wearing sarees regularly fosters a sense of pride and identity among the students, hence promoting a sense of unity and belonging in the college community. Thirukkural Pearavai Thervu is an initiative taken by BA (Tamil) Department of the institution to all undergraduate students to showcase their love for value culture and literature of Tamil. The exam revolved around writing a comprehensive review of Thirukkural, a classic containing 1,330 Kurals, written by Tamil literary work that contains 1,330 Kurals, written by the poet Thiruvalluvar. The students worked tirelessly to read and analyze each Kural, identifying the underlying themes and messages and how it is to be implemented in their everyday life of wisdom and righteousness.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The college adopts to outcome based education for all UG programmes and PG programmes as per the syllabus of Madurai Kamaraj University the teaching and learning process captures the decided outcomes and the instructions is designed according as reflected in the course plan and pedagogy. A strong emphasis on measuring what students have learned and how well they can apply their knowledge and skill in real world situations course content, teaching methods and assessment tools are design to support and measure progress towards the outcomes. Assessment is not just mean to assign grades but also a tool for feedback and improvement continuous assessment, formative assessment and Summatative assessment methods are used to measure the student progress and provide opportunity for improvement, we clearly communicat expectations and evaluation criteria to students. This help students to understand what is expected and provide transparency in the assessment process. The degree holders can opt for further higher studies and career in various specializations in accordance with their discipline our universities syllabus strives to make the students employable in-corporate /government sector/self employed. It exhibits cross cultural competency and build's ethical values. It helps the students to evaluate, analyses and formulate coherent arguments and creates self confidence among students.

20.Distance education/online education:

Online Teaching and Learning makes students more responsible for their own Education. It helps students get ready by letting them to explore, assess, share and present information in a fairly organized way. As N.M.S Sermathai Vasan college is affiliated to Madurai Kamarajar University, M.K.U is proceeding with a perfect plan and implemented the student focused "Naan Mudhalvan Scheme" which was launched by the State Government last year and aimed at enhancing the skill set of student especially at college level through offering of various skill based course and equip students with industry needed skill. Naan Mudhalvan courses were incorporated in the syllabus of semester II, IV and VI for all the departments. The electronic certificate was generated automatically after the test was finished by the students. The Learning Management System was given to the second year students. The course study materials were made available through the portal. The students took the examination and completed the course. ICT Academy in Association with the industry partner's launches "Learnathon 2023" a self-learning initiative for higher education students to build their foundation IT skills online. Nearly 350 students from CS, IT, BCA & B.COM(CA) registered and undergone the courses.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The motto of our institution is "Morality is the Rise". As a woman college, we promote Gender equality, Human Values, and Sustainability in the society. Each and every discipline has their own professional ethics. Apart from the curriculum, our institution has more than 20 clubs and Forums like N.S.S, NCC, Eco- Friendly Club, Gender Champion Cell, Health and hygiene Club,

Human Rights Club, Centre for Women's Studies, Placement Cell, Rotaract Club, Karate, Vocational Courses, Consumer Club, Value Education, Life Skill Forum, Entrepreneur Development Cell etc., when students engaged in such kind of activities, they gain knowledge about other pressing issues, scope of life, role of women, importance of health and get practiced to tackle difficult situations. As a girl child, they gain willpower to face issues of gender in society. During the first level of college, the students of our institution are in an immature state, after gaining knowledge through various courses and activities, Students of Nadar Mahajana Sangam Sermathai Vasan College for Women increases the understanding and maturity level of rural background women students.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

2.2.1 The institution undertakes an assessment of the learning levels of its students and organizes special programs for both slow and advanced learners. An entry-level examination is conducted to evaluate students' competency and intelligence levels before the commencement of the program. Based on the results of this assessment, students are categorized into advanced learners and slow learners, and appropriate measures are taken to cater to their individual needs.

Special measures are taken to support slow learners, including the provision of lecture notes and extra reading materials posted through class what's app group to improve their basic understanding of the subject. Additionally, special coaching and individual guidance from subject teachers are provided, and a unique value system of peer group teaching, learning, and assistance is arranged as one of the special measures to support relatively slow learners. Departments also conduct remedial

classes, and revision is given in the previous year's university exam question papers.

Special programs are also designed for advanced learners, including advising them to participate in group discussions and technical quizzes to develop analytical and problem-solving abilities and improve their presentation skills. Students are also given opportunities to develop their creativity by participating in intercollegiate meet, State, National, International Level Seminars and Conferences. Coaching is provided to help students prepare for competitive examinations, and bright and diligent students are motivated and provided with opportunities to exhibit their innovative and creative thinking in the nationwide competition announced by MoE-IIC.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

2.3.1. Student-centric methods such as experiential learning, participative learning and problem-solving methodologies are usedfor enhancing learning experiences (200 words)

Participative Learning:

The students actively engage in academic activities such as

classroom seminars on assigned topics, assignments, power point presentations, model preparation, and peer group learning. Additionally, participating in the preparation of department magazines, as well as in the activities of various clubs and forums of the institution, provides opportunities for participatory learning, which enhances their knowledge exposure.

Experimental Learning:

Learning is made student-centric through various experimental learning activities. These include demonstrations in practical classes, undertaking various project works and self-learning courses, developing short film-making skills. Students are encouraged to participate in Life Skill Forum and Entrepreneurial Development Cell, where students are involved in practical training sessions. These activities provide opportunities for experimental learning.

Problem-Solving Methodology:

Our institution has provided a platform for students to participate in various events such as the Innovation Challenge, Idea submission and creating idea repository announced by MoE-IIC. Innovative students of our institution have submitted their ideas as solutions for the pressing problems of the society.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

In our institution, the classrooms and laboratories are equipped with Information and Communication Technology (ICT) capabilities, including installed projectors. Additionally, the campus is equipped with a high-speed Wi-Fi connection.

The faculty members utilize various ICT tools to enhance the quality of teaching and learning. For online seminars and lectures, platforms such as Google Meet, Zoom app, Wise app, and

Cisco Web-ex are utilized. The media lab facility is utilized to create video lectures. Online quizzes are conducted using Google Forms.

In order to teach mathematical subjects in an online mode, teachers employ various online tools such as the whiteboard in Microsoft Teams and the Jam board in Google Meet. Furthermore, Learning Management Courses are available for undergraduate students.

A well-equipped open access computerized library with internet access is available for both faculty and students. An array of electronic journals and e-books are accessible to faculty members and students alike.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

During the Orientation Program, the Principal delivers course-specific opening addresses to both students and parents. Additionally, a Bridge Course is organized within the Departments, where the Head and Faculty members provide a comprehensive introduction to the internal assessment mechanism of the Institution and the CBCS question paper patterns of university examinations.

To ensure the smooth coordination of internal examination activities, an examination cell has been established. This cell is responsible for communicating information regarding the commencement of internal examinations, preparing exam schedules, maintaining and submission of mark statements.

The college takes great care in administering the examination system, adhering to the rules of the university, which require internal assessments to be conducted for students to complete their program. These assessments are conducted by department faculty members, and marks are entered within a week and monitored by the controller of examination.

Interaction with students regarding their performance in internal assessments is done with their answer scripts by the respective course teacher. Furthermore, a cumulative record is maintained for each student in both the department and the exam cell.

In this manner, the mechanism of internal assessment is transparent and robust, ensuring that students receive a fair and accurate evaluation of their academic progress.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

Mechanism to deal with internal examination related grievances:

The college possesses an Examination cell, which is responsible for implementing necessary measures to ensure objectivity and transparency in the internal examination process. Exam-related

notifications are kept in the examination cell and communicated to the students through their respective class WhatsApp group.

Following the evaluation of answer scripts for internal examinations, students are provided with an opportunity to discuss their performance with faculty members. Any grievances raised by students regarding the marks awarded to them are addressed by the concerned faculty.

Students are granted exceptions in attendance for internal examinations on medical grounds and for participation in extracurricular activities.

The marks obtained by students in internal examinations are recorded by the respective course teachers in the department and are also maintained by the examination cell in both hard and soft copy formats which is duly signed by the respective students.

In the event of discrepancies between the internal marks awarded by teachers and those entered in the mark sheets prepared by the University, the college provides assistance to students through Head of the Department and Principal in rectifying such errors in a timely and efficient manner.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

2.6.1. Teachers and students are aware of the stated program and course outcomes of the programs offered by the institutions. (200 words)

Program and Course outcomes encompass a wide range of knowledge, skills, abilities, and attitudes that students acquire during their pursuit of graduate and post-graduate courses. Our institution offers a variety of programs in Arts and Science, each with unique and well-defined outcomes. The specific learning outcomes of various courses are integrated into the curriculum of

each discipline and can be found on the college website. The institution follows the following mechanism to communicate the learning outcomes to faculties and students:

- Hard copies of syllabus and learning outcomes are available in the departments for easy reference by faculties and students.

- The program and course outcomes are communicated to faculties through the Head of the Department, who organizes department meetings at the beginning of the academic year.

- Students are also informed about the course outcomes by their respective course teachers during the bridge course.

- The Vision and Mission statements of each program are displayed on the college website and in the departments.

- Seminars and conferences are conducted through department association with an aim to achieve the Program and Course outcomes.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Measures for evaluating the attainment of Program outcomes and Course outcomes:

• The level of attainment of the outcomes is determined by assessing the performance of students in their examinations throughout the semester for each course.

• Students' participation in idea submission which are organized by the Central and State governments, is used to assess their subject-specific knowledge and skills as well as their critical and creative thoughts.

• The attainment of outcomes is also assessed by the students'

progression to higher studies. Upon the completion of their undergraduate courses, a majority of students choose to pursue higher education and professional courses.

• The Placement Cell consistently organizes placement activities to assist students in securing employment opportunities with reputable companies. Additionally, it arranges meetings to provide students with guidance on personality development and interview skills. Through these efforts, the institution evaluates the achievement of course outcomes by the students.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

The institution provides adequate infrastructural facilities which include classrooms, laboratories, staff rooms and playground to support the teaching-learning process. All blocks are provided with adequate facilities with iron grills to ensure safety and security.

Infrastructure Facilities for Curriculum:

- **Every department is spacious, luminous, well equipped and fully furnished.**
- **Smart classrooms, Language laboratory, Computer laboratory and Physics Laboratory are available to impart practical training.**
- **2 Ton Air conditioner and EPSON Laser Printer has been added to upgrade the laboratory facility.**
- **Every department is blessed with a department library with direct access in close proximity add a golden leaf in the cap.**
- **Trial room of the DFT Laboratory is modernized.**
- **New Administrative Block is under construction with 5000 square feet near New Building.**

Infrastructure Facilities for Co-Curricular activities like:

- ○ **Conference Hall, Ladies Fitness Gym ,Open Auditorium, NSS and NCC room, Health Centre, Public Address system, Typewriting Room and DFT Laboratory.**
- ○ **A Residential venue for borders with all needed facilities like Generator, LED TV, Reliance Smart Card System, fire extinguisher and 24 hours water supply, Purified drinking water facilities.**

Specialized Facilities:

- ○ **Ramps and rails are provided for differently abled.**
- ○ **Washrooms are available in every floor and hygiene is maintained.**

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

- Our VPRG library has textbooks, journals, magazines, periodicals and other materials for reference.
- The working hours of our college library from 9.30 a.m to 5.00 p.m.
- It has a collection of manuscripts, publications and e-resources.
- The general library possesses about 28,817 books, 1,99,500 e-books and 6000 e-journals.
- INFLIBNET facility for accessing e-journals.
- The reading room is well furnished to accommodate students and provides conducive environment for study.
- Students are provided with library tokens by which UG students can borrow three books and PG students can borrow six books.
- Security of resources is ensured through a system of checking at the exit point for all resources borrowed by the users.
- 8 computers with the latest configuration are made available in the library for ready access to e- resources and to enhance ICT learning resources.
- Reprographic facilities are made available at nominal cost to all the students and faculty members.
- To motivate the students and faculty members of our college the best library user is awarded during college day function.

- Braille Book available to benefit visually impaired students. Book exhibition is conducted every year.
- Effective budget allocation is made in order to strengthen the library collections.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Students are given exposure to involve in administrative, Co-curricular and Extra curricular activities by including them as members of the committees. The college has a committed Students Union, each academic year the Students Union will be selected on the basis of college regulatory methods. The union functions under the name 'Boutique'. The board of management establishes, maintains decorum, code, motto of all round activities of the students union. Besides representation in student's union student representatives are there in department associationsand in various clubs, forums, cells and contribute in fulfilling their administrative responsibilities by assisting and play the role of a bridge between the staff and students. All the Sports activities are carried out successfully with the help of the Student member of Sports committee. All the Student members of the Student Council actively participate in other extension activities of the institution such as NSS, NCC, YRC and RRC. The Students' Union representatives take part in Anti ragging and grievance redressal meeting with the Principal and they play a vital role in bringing out the student grievances.Thus space is created for our students. Thus sportive cooperation are due records bythe vibrant participation of our students.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and

recorded the incremental improvement in various activities

The IQAC follows a comprehensive mechanism of reviving the teaching learning process and learning outcomes:

- The Institution prepares Academic Calendar prior to the reopening of the college. The Academic Calendar specifies the teaching learning schedule of every Academic year and continuous evaluation. Teaching plan is framed in accordance to the availability of number of working days in each semester based on proposed Academic Calendar.

It is mandatory for the students & the faculty to adhere to the academic calendar for the completion of academic activities.

All the departments in the college abide by the institutional norms (intimated by IQAC) such as submission of staff requirement for forthcoming section, distribution of time table among faculty members, academic & extracurricular work delegation within the department, and execution of internal assessment of learning outcomes by identifying fast learners & slow learners, analysis of end semester examination results and so forth.

Teaching and Learning Reforms:

The IQAC at N.M.S.Sermathai Vasan College For Women encourages and ensures continued reforms in teaching learning methodologies. It places driving force on the adoption of ICT in Teaching Practices. These tools are used for sharing study materials and assessing equipments to complement curricular learning. Experimental learning takes place through educational tours, industrial visits, field study, skill based workshops and webinars.

Apart from this, capacity building programmes organized by NSS, NCC, EDC and Life Skill forum enhances the entrepreneurial, Leadership and Organizing skill among students.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice

Promoting Placement and Career awareness among rural women folks.To enable our students to get placed in II sectors, Marketing, Financial Banking sectors and various other service commissions.Assist students to develop their academic and career interest. The main context of this cell is to fill the gap between the academic, corporate and competitive world outside the four walls of our campus. Create awareness among students about the importance of placement.

As a best practice of Placement Cell, following activities are conducted:

1. Placement trainers are invited to motivate and train our students in skills like public speaking, aptitude, GD and personal interview.

2. Special skills like Tally for B.com and B com(CA) discipline students is given to enhance the scope of recruitment.

MoE-IIC has announced YUKTHI Innovation Repository where students can submit their innovative ideas. Our college Physics department students have come up with the idea of making "Herbal Sanitizer"in the year 2021as a replacement for chemical sanitizer the usage of which is the most pressing issues in the society and it was

developed in the year 2022.
