

Best Practice – I

1. Title of the practice:

Energy conservation

2. Duration:

Throughout the academic year

3. Objective of the practice:

- To map the energy consumption in the college
- To reduce energy consumption from conventional energy sources.
- Increase financial capital, environmental quality, national security, personal security and human comfort.

4. The context:

Electricity has much more important aspects because it is a fundamental feature of all matter in everyday life. The students of the department of physics under the guidance of Mrs.M.Kavitha, Principal, Head and Associate professor, Dr.Megala, Assistant professor of physics are continuously doing the survey every year for the solution to the energy conservation.

5. The practice:

Both UG & PG physics students are well trained to use QGIS surveying the light intensity in each class room periodically.

6. Evidence of success:

Students studies the energy consumption in our college which helps to identify the places where energy can be saved by replacing the incandescent bulbs with the LED lamps.

7. Problems encountered & resources:

Climatic changes increase the consumption usage of light. There is quite variation in the survey report.

Energy Audit

Best Practice - II

1. Title of the Practice:

Recitation of Thevaram songs

2. Duration:

One month duration weekly twice from 21.08.2023 to 21.09.2023

3. Objective of the practice:

- To know more about religious belief and develop spirituality
- To bring oneness in their mind to shine in the future life
- To enhance reading & singing in Tamil poetic language

4. The context:

The department of Tamil collaborates with Raja Muththaiya Mandram conducts the recitation of Thevaram song. The tutor from the respective place guides the students every time for better performance for reciting the songs on the occasion.

5. The Practice:

These practices are carry forwarded for the I and II year UG students of Tamil department and other willing students and a faculty from various disciplines during the month of August and September.

6. Evidence of success:

The trained students & staff members attend the written and singing test about Thevaram songs. Nearly 19 students and faculty prestigious awarded as “Thirumurai Selvam” in the year of 2023 to 2024.

7. Problems encountered & Resources:

As per the curriculum schedule many students are not able to perform their activities in the programme from other disciplines.

RECITATION OF THEVARAM SONGS
