REPORT

27.09.2024

N.M.S. Sermathai Vasan College for Women, Madurai - Department of Commerce (CA) organized the Workshop on "SPSS Package" on 27.09.2024 in Lab 5 at 10.30 a.m. The SPSS workshop aimed to provide participants with a comprehensive understanding of the SPSS software for statistical analysis. It was focused on both foundational and advanced features, enabling participants to effectively use the package for their data-related projects.

The objective of the Workshop is to introduce the SPSS interface and basic functionalities. Train our students to familiarize participants with basic and advanced features of the software & to equip participants with practical skills for statistical analysis. It enhanced understanding of statistical methods & their applications.

Participants gained a foundational understanding of SPSS. Enhanced skills in data manipulation and statistical analysis. Increased confidence in applying SPSS for research and data projects. Also, increased confidence in conducting data analysis independently. The SPSS workshop effectively met its objectives, equipping participants with the essential skills for data analysis. Nearly, 38 students benefited through this Workshop.
